WING Global Visibility Partner

CONFERENCE

NEW ZEALAND GEOTHERMAL
WORKSHOP

www.geothermalworkshop.co.nz

DATE

25–27TH NOVEMBER 2019

LOCATION

THE UNIVERSITY OF
AUCKLAND,

Auckland, New Zealand

ABSTRACT SUBMISSION DUE DATE

1:59PM, 17TH JUNE 2019, NZT

The **WING Visibility Scholarship** is open to all **WING** members. The aim of the scholarship is to increase the visibility of women working in the geothermal industry, and the work that they do.

It offers the opportunity to present current work to the wider geothermal community. This year the scholarship winner will have an all expense paid trip (flights, transfers, accommodation, registration) to New Zealand to present a paper at the **New Zealand Geothermal Workshop** which will be held **25–27th November** in Auckland.

PLEASE NOTE

The winner will be responsible for their food and other personal costs.

REQUIREMENTS

- » Must be a current WING member working in the geothermal industry. This can be in any capacity ie Science, engineering, regulatory, law, business etc
- » Must have a current passport and available to travel
- » Must be able to apply and receive visa within required travel timeframes
- » Will be available and participate in interviews, discussions, meetings and other events during the workshop

HOW TO APPLY

Forward your
300 word (max) abstract
to info@womeningeothermal.com by
1:59pm, 17th June, 2019 (NZ Time).

Please include all your contact details in the email, and a short paragraph on why you think the visibility of women is important.
